

Request to reject indexation increases

The Inflation protection benefit protects the value of your insurance cover against the impact of inflation by increasing your insurance cover each year (indexation). Your premiums will increase each year by an additional amount to reflect this indexation of cover.

This form allows you to reject individual offers or advise us that you no longer wish to receive future offers of indexation.

This form is to be completed by the policy owner. To avoid delays, check that all questions have been answered fully. Please use BLOCK LETTERS.
