Duty to take reasonable care not to make a misrepresentation

Your duty to take reasonable care not to make a misrepresentation is explained in the PDS and the Life Insured's Statement and it applies each time you provide us with information before we issue a policy.

Not meeting your legal duty can have serious impacts on your insurance. Before your cover starts, please tell us about any changes that mean you and each person who answered our questions would now answer differently. It could save time if you let us know about any changes as and when they happen. This is because any changes might require further assessment or investigation.
